

The Guardians Conference 2025

The 10th annual Guardians Conference will be held at the Downstream Casino and Resort February 18, 19, & 20, 2025. The vendor area will be in the Pavilion as in previous years. Vendors may start setting up on Monday February 17th at 6:00 pm.

Last year's conference had over 650 participants from the four-state area representing pre-hospital, hospital, and tertiary care providers as well as Law Enforcement Officers and Firefighters.

This year we will continue the "Fire School" phase of the guardians and our expanded our law enforcement courses.

The vendor fees for this year's event will be \$1000. This will allow you to have booth space for all three days of the conference. Booth spaces will consist of one 8' table and two chairs. Your total space will be approximately 10' x 10'. If you plan on showing a vehicle at the conference the vendor fee will be \$1500. This will give you the same booth space in the event area as well as a spot for your vehicle in the outdoor display area.

Vendor registration and **payment in full** should be received no later than January 15th, 2025.

In addition to vendor booth space there are opportunities for you to become a recognized Corporate Sponsor of the conference. If it were not for the participation and activities of our sponsors and vendors, this conference would not be possible.

A limited number of rooms are available at the Downstream Casino and Resort. Vendors who would like to stay overnight will receive the same conference room rates as our attendees.

If you wish to participate in the 2025 conference, please complete the enclosed registration form and return it to the address below, with your check made payable to the "Guardians Conference." You may also email your registration form with payment pending. We look forward to your participation. Please feel free to call for any further information.

- Premier, Gold, Silver, and Bronze Sponsorship will include two (2) individual registrations.
- Standard booth dimensions will be approximately 10' x 10' that includes a 96"x 30" draped table and two (2) chairs. Electricity will be provided to each booth.
- Vendors may start setting up booths on Monday evening, February 17th at 6:00 p.m. Breakdown of booths will be on Thursday, February 20th, during or after the last break of the day.
- Door prize drawings are allowed but will be the sole responsibility of the vendor.

Exhibit Hall Guidelines

- Exhibitors are to abide by Downstream Casino and Resort Safety Standards.
- All exhibitors must be properly identified when on site.
- No horseplay, practical jokes, throwing of objects, display of unsafe objects or Segway's will be permitted.
- Use or possession of illegal or controlled substances is strictly prohibited at all times.
- Smoking is strictly prohibited inside the exhibitor hall. Exhibitors may use the designated smoking areas within the facility.
- All food, alcohol and non-alcoholic beverages, and concessions are operated and controlled exclusively by Downstream Casino and Resort.
- All move-in and move-out of exhibits must be done through designated loading docks, freight doors, and elevators. Exhibitors should verify security arrangements and times to avoid problems with unattended equipment and materials. Guardians and Downstream Casino and Resort will not be responsible for lost or stolen items left unattended in the exhibitor area.
- No decorations, signs, banners, etc. may be taped, nailed, or otherwise attached to any ceiling, window, wall, or painted surface of the facility. Special decorations must be approved in advance by the Exhibitor Liaison.
- Any electrical or other issues must be reported and addressed by the facility staff only.
- No animals or pets are permitted in the facility except for approved service animals.
- All exhibitor spaces need to be kept clean and orderly. Please do not throw boxes or trash generated during the conference into the aisles. Aisles and exits must remain clear and cannot be obstructed in any way at any time.
- Helium balloons (no larger than 36" in diameter) are allowed only when they are anchored to exhibits and approved in advance by your Vendor Liaison. Helium tanks require storage in a proper storage receptacle approved in advance by the host facility.
- No collections or donations, whether for charity or otherwise, shall be made, attempted, or announced.
